

Book your next appointment and order repeat prescriptions online

It's quick and easy to use, and can be particularly useful during those times when the practice is closed or telephone lines are busy. Easy to follow screens and prompts ensure it is simple for you to view, book or cancel appointments or order repeat prescriptions online – whatever the time of the day or night.

Ease of use

EMIS Access online has been carefully designed for ease of use and can be used by most internet browsers. It is even possible to use EMIS Access from some mobile phones. Using the internet you will be able to view a range of available appointments and choose the most convenient time for you, or order your prescription.

Secure Information

All personal information contained on EMIS Access is protected using the highest standard internet security.

Start using online booking

Before you can start booking GP appointments or ordering repeat prescriptions online you must register your details for this service.

Once registered, you will select a password. We do not know this password so keep it safe. If forgotten, you will need to re-register.

Register

Please fill in the registration form and hand it back to reception. A letter and information sheet will be sent to your home address with all the details you will need to use the EMIS Access facility.
